Market Worker

Kajers Greens seeks market worker to join our growing team.

Kajers Greens is a small organic family ran farm that grows a wide variety of organic produce as well as organically raised chicken meat, and eggs.

Responsibilities

The market worker will be based in one of these three markets, Green city farmers market Lincoln Park. West Loop farmers market, and Wicker Park farmers market (on Sunday). The Market Worker will be responsible for:

- *Having general knowledge of products and how they are grown.
- *Restocking as needed through out the market.
- *Be able to lift 50lbs.
- *Breaking down the market booth and packing everything up correctly at the end of the market.
- *Staying in the market booth during peak times (please support other local vendors by shopping at the beginning or end of the market.)

Applicant Profile:

- *Friendly and a willing attitude to learn and interact with people.

*A love for local organic produce, and other products.

*Have good basic math skills for counting change.

Work Environment: This farmers market is an outside market, and it does run rain or shine. You will be standing the duration of the market.

Schedule: The market is every Saturday / Sunday from 8:00-1:00, You will be required to be there no later than 60mins before the market is set to open. No Exceptions.

Compensation: This Market worker position will pay \$150.00 per day.

To Apply: Please send resume to or contact us at Kajersgreens@yahoo.com.
