Farmers' Market Sales Assistant

Summary:

Bushel & Peck's seeks a Farmers' Market Sales Assistant to work Saturdays 5:45am to 1:45pm at the Green City Market in Lincoln Park May through October. This position involves the set up and tear down of our market stand as well as assisting customers with purchases. This is a rewarding and physical outdoors sales job with access to great food.

Responsibilities:

- Unload and load product and supplies from vehicle
- Set up market stand including tent, tables, and product display
- Provide customer service to customers
- Take orders, make sales, and provide change using our POS system
- Package items for customers
- Follow proper food safety and handling procedures
- Ability to stand for eight hours and lift 50 pounds in varying weather conditions

The position is for every Saturday May through October, but we may have opportunities for part time work. Compensation starts at \$150 per market.

If interested, please email service@bushelandpecks.com with a resume.

About Us:

Bushel & Peck's launched in 2002 as a small farm in Monroe, Wisconsin. In 2008, we expanded with a farm-to-table store and cafe in Beloit, Wisconsin. In 2010, we built our preservation kitchen within the same facility in Beloit. We sell directly in our store and at markets, wholesale our products to retailers throughout the Midwest, and ship nationwide. We also provide co-packing services to other businesses.

At the farmers' market, we sell pickles, jams, hot sauces, fermented foods, and other preserved goods using produce from our certified organic farm as well as other local farms. We have been a part of Green City Market since 2011.
